

A.

small molecule metabolic pr...

lipid metabolic process

cellular lipid metabolic pr...

organophosphate metabolic p...

alcohol metabolic process

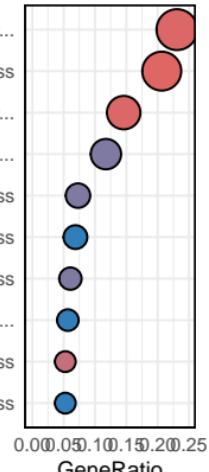

steroid metabolic process

glycerolipid metabolic process

cellular response to xenobi...

xenobiotic metabolic process

phospholipid metabolic process

**B.**

regulation of immune system...

cell-cell signaling

positive regulation of immu...

secretion by cell

chemical synaptic transmission

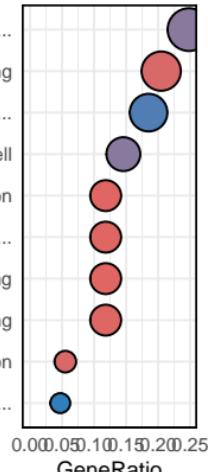

anterograde trans-synaptic ...

trans-synaptic signaling

synaptic signaling

lymphocyte migration

regulation of synaptic plas...
