

Validation KM (Dijk): k=10, alpha=0.00, ntop=270

## Number at risk

A dot plot showing the distribution of time points for Low and High strata. The x-axis represents time from 0 to 120. The y-axis shows two strata: Low (blue) and High (red). Data points are at 0, 28, 60, 90, and 120 minutes.

Time	Low	High
0	73	17
28	28	1
60	9	0
90	4	0
120	0	0
